

Let's look at the ideas we shared in our study:

*We are not David, Jesus is David

*Our giant is already dead. The victory has been won.

*David's motivation in the story was the fame of God. David was motivated by God's honor and glory.

*Our freedom and God's glory are woven together.

*We must be dependent on our Creator and reflect His greatness and glory.

*Read 1 Samuel 17:45-47 to be reminded of what David said to Goliath.
